

Puppy Contract

The following agreement is between the Seller, Family Treasure Doodles, and (Name of the buyer), hereafter referred to as "Purchaser" for the sale and purchase of one Goldendoodle dog.

The total amount paid for the dog is _____, of which _____ is a non-refundable deposit.

The Seller transfers in fee all the responsibilities, privileges, and rights associated with owning a (gender of the dog) dog of the goldendoodle breed to the Buyer as of the date specified below. This represents the entire agreement between Seller and Buyer in an Outright sale.

Use of the dog:

It's agreed between the Seller and Buyer that this canine is being purchased as a family companion or for tasks fitting to its breed such as a therapy dog or service animal.

We agree that the dog is not purchased for resale, nor will it be used or trained for activities that are illegal or for which it is not suited by reason, temperament, or conformation.

Specifically, it will not be used as a guard or attack dog, or to fight other animals.

Health:

The Seller guarantees the dog to be in a healthy condition and is free from any illness at the time of sale.

In case the dog would have any genetic disease, which is sufficiently serious after getting checked by two licensed veterinarians, one selected by the Breeder, to authorize euthanization of the dog the Seller agrees to:

Replace the dog with one of equivalent quality from the first litter bred by the Seller, or at the Seller's option, refund the paid price. The Breeder strongly encourages Purchaser to have the dog seen by a veterinarian of Purchaser's choice within 72 hours of picking up the dog.

The dog may be returned to the Seller for any reason within 72 hours after the purchase, provided that the dog has not been damaged in any way. The Buyer will then be entitled to a refund of the paid price, less the non-refundable deposit.

Ownership Responsibilities:

The Buyer agrees to keep the dog in a humane environment where the new owner would properly train and care for it. The dog will be properly registered and vaccinated against infectious diseases as recommended by a certified veterinarian.

The dog will only be allowed to roam in a safely fenced yard. The dog will get proper socialization and training. The Seller strongly recommends permanent identification by microchip or tattoo.

Spay & Neutering:

Dogs purchased as pets, should be spayed or neutered before nine months of age.

Right of Recovery/Placement:

If the Buyer won't be able to keep the dog or provide a suitable home as per this contract, the dog will be returned to the Breeder. The Buyer agrees to notify the Seller if any problem or situational change arises and will not leave the dog in a shelter, sell, or be given away. If the Seller finds out that the dog has been sold or given away without being informed by the Buyer, the Seller will take legal action, and the Buyer who signed this contract will be held responsible for all legal expenses incurred.

Agreed to this _____ day _____ month of _____ year
